The SVSU Literacy Center is proud to now offer a Math clinic in addition to our Reading and Writing clinics. We offer tutoring services for Basic Math, Pre-Algebra, Algebra, and Geometry. A pre-assessment will take place on January 11, 2010.

- ★ • Our tutors have their Bachelor's or Master's Degree
- ★ • All students receive a pre and post assessment
- ★ • We work collaboratively with parents
 - We utilize data-driven instruction correlating with state standards
 - We tutor in a state-of-the-art facility
- ★ • and utilize the latest technology

Sessions available for...

- Remediation
- Enrichment
- Homework Help

The cost of the Math Clinic is \$290.00. This includes the pre and post assessment and 12 tutoring sessions. A \$50.00 deposit is required for the assessment and is applied toward the tuition total. Payment plans are available. All tutoring sessions are 50-minutes. Please call today to reserve your child's slot.
